## SEATTLE BEAUTY GUIDE

**Top shop:** Skincare-obsessed cool girls hit House of Vartan ([houseofvartan.com](http://houseofvartan.com)) for personalized facials, to get their makeup done, and to buy products from brands like Kjaer Weis and Paul & Joe Beaute. **Best nail salon:** Juniper Nail Bar ([junipernaturalnailbar.com](http://junipernaturalnailbar.com)) is known for its colorful nail art and natural manis using Eminence Organics Skincare.

**Seaworthy day spa:** Double down on the aquatic atmosphere at Banya 5 ([banya5.com](http://banya5.com)). The hydrotherapy spa offers a steam room, saltwater pool, and Russian sauna.

**Hair haven:** Head to Vain ([vain.com](http://vain.com)) for a cut and some major pastel color. The stylists also specialize in dreadlocks and braids. **Best waxing:** Bush & Ivy ([bushandivywax.com](http://bushandivywax.com)) is the chicest spot in town for hair removal. After your wax, opt for a lash-tinting service. **Best hotel for beauty sleep:** The glam spa suite at the Kimpton Alexis ([alexishotel.com](http://alexishotel.com)) will make you reconsider leaving the premises. To take it up a notch, try an in-room spirulina body wrap.
